

Dream a little dream of me

Stars shining bright above you

Night breezes seem to whisper "I love you"

Birds singing in a sycamore tree

Dream a little dream of me *high*

Say nighty night and kiss me

Just hold me tight and tell me you miss me

While I'm alone and blue as can be

Dream a little dream of me

Stars fading but I linger on dear

Still craving your kiss

I'm longing to linger till dawn dear

Just saying this

↓ Sweet dreams till sunbeams find you

*Keep* Sweet dreams *ing* ~~that~~ leave all worries behind you

But in your dreams whatever they be

↑ Dream a little dream of me.
