

I WANT TO BE HAPPY Irving Caesar & Vincent Youmans

HE: I'm a very ordinary man
Trying to work out life's happy plan
Doing unto others as I'd like to have them doing unto me
When I find a very lonely soul
Soon be kind becomes my only goal
I feel so much better when I tell them my philosophy

*I want to be happy but I won't be happy till I make you happy too.
Life's really worth living when we are mirth giving
Why can't I give some to you?
When skies are grey and you say you are blue
I'll send the sun smiling through
I want to be happy but I won't be happy
Till I make you happy too!*

SHE: No-one ever talked like that to me
I have never known such sympathy
Only in my dreams; it really seems to me it's too good to be true
There are smiling faces ev'rywhere, surely I deserve my little share
I'm a lucky girl to know that I can get it all from you

SIDE BY SIDE Dean Martin

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along singing a song - side by side

Don't know what's coming tomorrow
Maybe it's trouble and sorrow
But we'll travel the road sharin' our load - side by side

Through all kind of weather
What if the sky should fall
As long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just to travel along singing a song - side by side

When they've all had their quarrels and parted
We'll be the same as we started
Just to travel along singing a song - side by side
