

I WANT TO BE HAPPY

I'm a very ordinary man
Trying to work out life's happy plan
Doing unto others as I'd like to have them doing unto me

When I find a very lonely soul
To be kind becomes my only goal
I feel so much better when I tell them my philosophy

*I want to be happy
But I won't be happy
Till I make you happy too*

*Life's really worth living
When we are mirth giving
Why can't I give some to you*

*When skies are grey and you say you are blue
I'll send the sun smiling through*

*I want to be happy
But I won't be happy
Till I make you happy too*

No one ever talked like that to me
I have never known such sympathy, only in my dreams
It really seems to me it's too good to be true

There are smiling faces ev'rywhere
Surely I deserve my little share
I'm a lucky girl to know that I can get it all from you
