

LEAN ON ME

Sometimes in our lives we all have pain, we all have sorrow
But if we are wise, we know that there's always tomorrow
Lean on me, when you're not strong and I'll be your friend
I'll help you carry on
For it won't be long, 'Til I'm gonna need
Somebody to lean on

Please swallow your pride, if I have things you need to borrow
For no one can fill those of your needs, that you won't let show
Lean on me, when you're not strong and I'll be your friend
I'll help you carry on
For it won't be long, 'Til I'm gonna need
Somebody to lean on

So Just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Lean on me, when you're not strong and I'll be your friend
I'll help you carry on
For it won't be long, 'Til I'm gonna need
Somebody to lean on

So You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

If there is a load you have to bear, that you can't carry
I'm right up the road, I'll share your load
If you just call me (call me)
If you need a friend (call me)

Songwriters: Bill Withers
