

LET ME ENTERTAIN YOU (Gypsy)

*Let me entertain you
Let me make you smile
Let me do a few tricks
Some old and then some new tricks
I'm very versatile

And if you're real good
I'll make you feel good
I'd want your spirits to climb

Just let me entertain you
And we'll have a real good time
Yes sir
We'll - have
A real good time (Repeat) *So....
