

THE SOUND OF MUSIC Lyrics by Oscar Hammerstein II

Unison:

My day in the hills has come to an end, I know

A star has come out to tell me it's time to go

2 Part - Melody Part 2

But deep in the dark green shadows are voices that urge me to stay

So I pause and I halt and I listen for one more sound

For one more lovely thing that the hills might say

* Part 2: **The hills are alive** Part 1: **Oo**

Part 2: **With the sound of music** Part 1: **Oo**

Part 2: **With songs they have sung** Part 1: **Oo**

Part 2: **For a thousand years** Part 1: **Oo**

Part 1: **The hills fill my heart** Part 2: **Oo**

Part 1: **With the sound of music** Part 2: **Oo**

Part 1: **My heart wants to sing every song it hears** Part 2: **Oo....**

2 Part: Melody Part 2

My heart wants to beat like the wings of the birds that rise from the lake to the trees

Mel Part 1

My heart wants to sigh like the chime that flies from a church on a breeze

Melody Part 2

To laugh like a brook as it trips and falls over stones on its way

Mel Part 1

To sing through the night like a lark who is learning to prey

Part 2: **I go to the hills** Part 1: **Oo**

Part 2: **When my heart is lonely** Part 1: **Oo**

Part 2: **I know I will hear** Part 1: **Oo**

Part 2: **What I've heard before** Part 1: **Oo**

2 Part: Melody Part 1

My heart will be blessed with the sound of music

And I'll sing...once...more *Repeat

I WANT TO BE HAPPY Irving Caesar & Vincent Youmans

HE: I'm a very ordinary man
Trying to work out life's happy plan
Doing unto others as I'd like to have them doing unto me
When I find a very lonely soul
Soon be kind becomes my only goal
I feel so much better when I tell them my philosophy

*I want to be happy but I won't be happy till I make you happy too.
Life's really worth living when we are mirth giving
Why can't I give some to you?
When skies are grey and you say you are blue
I'll send the sun smiling through
I want to be happy but I won't be happy
Till I make you happy too!*

SHE: No-one ever talked like that to me
I have never known such sympathy
Only in my dreams; it really seems to me it's too good to be true
There are smiling faces ev'rywhere, surely I deserve my little share
I'm a lucky girl to know that I can get it all from you

SIDE BY SIDE Dean Martin

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along singing a song - side by side

Don't know what's coming tomorrow
Maybe it's trouble and sorrow
But we'll travel the road sharin' our load - side by side

Through all kind of weather
What if the sky should fall
As long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just to travel along singing a song - side by side

When they've all had their quarrels and parted
We'll be the same as we started
Just to travel along singing a song - side by side
