

We'll Meet Again

We'll meet again
Don't know where
Don't know when
But I know we'll meet again some sunny day
Keep smiling through
Just like you always do
'Till the blue skies drive the dark clouds far away

So will you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know
That as you saw me go
I was singing this song

We'll meet again
Don't know where
Don't know when
But I know we'll meet again some sunny day

I'll Be Seeing You

I'll be seeing you in all the old familiar places
That this heart of mine embraces all day through
In that small cafe, the park across the way
The children's carousel, the chestnut trees, the wishing well
I'll be seeing you in every lovely summer's day
In everything that's light and gay
I'll always think of you that way
I'll find you in the morning' sun

And when the night is new
I'll be looking at the moon
But I'll be seeing you
I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
But I'll be seeing you

As Time Goes By

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by
And when two lovers woo
They still say I love you
On that you can rely
No matter what the future brings
As time goes by
Moonlight and love songs, never out of date
Hearts full of passion, jealousy and hate
Woman needs man, and man must have his mate
That no one can deny
It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by
It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by
