The Sound of Music

The hills are alive with the sound of music
With songs they have sung for a thousand years
The hills fill my heart with the sound of music
My heart wants to sing ev'ry song it hears

Wouldn't it be Lovely?

Men: All I want is a room somewhere

Ladies: Far away from the cold night air

All: With one enormous chair
Oh wouldn't it be lov-er-ly?

Ladies: Lots of choc'late for me to eat

Men: Lots of coal makin' lots of heat

All: Warm face, warm hands, warm feet
Oh wouldn't it be lov-er-ly?

All: Someone's head resting on my knee
Warm and tender as they can be
Who takes good care of me
Oh, would-n't it be lov-er-ly?

I Feel Pretty

Ladies: I feel pretty, oh so pretty
I feel pretty and witty and bright
And I pity any girl who isn't me tonight

Men: I feel charming, oh so charming
It's alarming how charming I feel
And so charming that I hardly can believe I'm real

All: I feel stunning and entrancing
Feel like running and dancing for joy

Ladies: For I'm loved by a charming, wonderful boy!

Men: For I'm loved by a pretty, wonderful girl!

Any Dream Will Do

All: I closed my eyes, drew back the curtain
To see for certain, what I thought I knew
Far far away, someone was weeping
But the world was sleeping, any dream will do

<u>Men:</u> I wore my coat	<u>Ladies:</u> I wore my coat
With golden lining	Ah..
Bright colours shining	Ah..

All: Wonderful and new

<u>Men:</u> And in the east	<u>Ladies:</u> And in the east
The dawn was breaking	Ah..
And the world was waking	Ah..

All: Any dream will do

<u>Men:</u> May I return	<u>Ladies:</u> May I return
To the beginning	Ah..
The light is dimming	Ah..

All: And the dream is too

All: The world and I, we are still waiting
Still hesitating, any dream will do

The Impossible Dream

Ladies: To dream the impossible dream
To fight the unbeatable foe
To bear with unbearable sorrow
All: To run where the brave dare not go

Men: To right the unrightable wrong
To love pure and chaste from afar
To try when your arms are too weary
All: To reach the unreachable star

All: And the world will be better for this
That one man scorned and covered with scars
Still strove with his last ounce of courage
To reach the unreachable stars

Climb Ev'ry Mountain

Climb ev'ry mountain, search high and low
Follow ev'ry byway, ev'ry path you know
Climb ev'ry mountain, ford ev'ry stream
Follow ev'ry rainbow, till you find your dream!

The Sound of Music

I go to the hills when my heart is lonely
I know I will hear what I've heard before
My heart will be blessed with the sound of music
And I'll sing - once - more
